YOU MUST APPLY FOR THESE AWARDS

Awards are presented each year at the Annual Awards Banquet, held in conjunction with the ARC National Specialty Show. All Awards will be based on titles earned by December 31st of the year preceding the award presentation.

There is no formal application but must include the name of the dog or bitch, AKC registration number, the breeder, the owner, the owner's address, phone number and email address. It must also contain the names and titles of the offspring. In order to verify the titles ONE of the following must also be included for each of the offspring: AKC progeny report, month/year title was earned; Scorebook; copy of the title. If you have problems with the verification, please contact Michelle Lennon. **The owner need not be a member of the American Rottweiler Club.**

Dogs/bitches who already have a Production Award, but are not eligible for the next level or are already at Gold, may update the accomplishments of their offspring and their point total. This now means that the number of litters/puppies must also be updated thru AKC and the ARC is charged for this service. Therefore, anyone wishing to update the information on their dog/bitch must pay a service charge of \$10.00 per dog/bitch. There will be no new certificate issued, but the changes will be made on the master Production List that is posted on www.amrottclub.org. Please send check, in U.S. Funds, payable to ARC, along with information requested in a normal application.
